

For Parents of Teenagers

Some parents might not have shared the truth concerning their children's birth history. So questions concerning the nature of conception I allow the parents to answer separate from the teenager. Remember we discussed in the book, we do not want to pray something that will add more trauma. Things that were sinful or traumatic at conception can be prayed through in such a way that will bring healing and not fear.

- | | | |
|---|-----|----|
| 1. Was your child conceived out of wedlock? | Yes | No |
| 2. Was the conception violent? | Yes | No |
| 3. Was there a lot of arguing in the home when you were pregnant? | Yes | No |
