

## 5 Restoration Promises

1. ***Stolen Goods Restored*** Exodus 22:4; Proverbs 6:31, Zechariah 9:12
  - God's command was that if a thief were to steal from you, he was demanded to pay back double and even up to seven times what he took. God's promise is also render double to His people. If the enemy has stolen things that belong to you, have faith that God will restore and give you better than what you had before.
2. ***Health Restored*** Jeremiah 30:17; Matthew 12:15; Luke 4:18
  - God's promises to His people throughout the bible has always included healing., whether it be spiritual, emotional, or physical. If some form of illness, infirmity, or sickness has invaded your life, call upon the Lord for your health to be restored.
3. ***Household Restoration*** Isaiah 5:12 (NLT)
  - One of the greatest tactics of the enemy is to invade families and household through strife and an overall breakdown of communication that promises a healthy family environment. God is in the business of restoring the breaches created by the enemy and to bring reconciliation in families.
4. ***Peace and Comfort Restored*** Isaiah 57:18-19; John 14:26-27; 2 Corinthians 1:3-4
  - The Lord is committed to restore peace and comfort when our hearts are contrite and committed to Him, even when we have made mistakes. When difficult circumstances have tried to rob your joy and drain you of peace, trust God that your peace will be restored and comfort from the Holy Spirit will bring solace to your soul.
5. ***Restoration of Lost Time*** Joel 2:25 (AMP)
  - When you feel as though the trials of life have stolen your time or distracted you from accomplishing the things you have dreamed of or maybe something just got you off track along the way, God can make up for lost time.
